Ultimate Edition Windows 8 You can cancel  
the installation or use any of the following  
ways to remove nfsOverWater01 from your  
computer: If nfsOverWater01 has installed

itself into the system in a way that is not detected by Reimage, it is possible that after you have checked out the description of the setup program, you will find that although the application is supposedly legitimate, it is in fact a malicious software. If you want to remove nfsOverWater01 from your computer you must uninstall this program. For instructions on how to remove nfsOverWater01 from Windows, you should refer to the list of applications and their descriptions below. There's a number of interesting things about the links in the archives, and I'll be adding them here as I find them, or as time allows. There's been a helluva lot of information here on this blog over the years, and a lot of it is of dubious quality.
